

TAKE TEA FOR A-T

Take part in the tea party revolution and join Action for A-T's "Take Tea for A-T" campaign.

This summer we will be asking you, your school, your place of work, club, society or friends to come together for an afternoon of tea, cake and fundraising.

Not only is this a great opportunity to catch up with everyone you know, but you will also be raising vital funds for A-T research.
